Press Release

## Transparency legislation

La Hulpe, September 12, 2008

In accordance with the law of 2 May 2007 (articles 15, 18 and 29) and the Royal Decree of 14 February 2008, Atenor Group publishes the following information:

Total capital (€)	:	38,879,547.69
Total number of shares conferring a voting right	:	5,038,411
Total number of voting rights (denominator)	:	5,038,411

### **Legal and statutory threshold**

In order to make a legal notification when a threshold (legal and/or statutory) is passed, the number of shares one holds that confer a voting right (numerator), as compared to the total number of voting rights (denominator), should be taken into account.

In accordance with the aforementioned law, the statutory threshold of 3% of the shares conferring a voting right and the first legal threshold of 5% and the following thresholds (10%, 15% and so on per tranche of 5%) remain valid and constitute the trigger thresholds that oblige shareholders to notify ATENOR GROUP and the CBFA (Banking, Finance and Insurance Commission)<sup>1</sup> when the voting right proportion is reached, passed or falls below a certain percentage of the total voting rights.
