ATENOR strengthens its team in the Grand Duchy of Luxembourg

Luxembourg, 20 January 2021

Raphaël van der Vleugel, Country Director, is happy to welcome Benjamin Limbourg on board

Pursuing its strategy of expansion and consolidation in Luxembourg, ATENOR **strengthens its team** and welcomes Benjamin Limbourg in the newly role of “Director”, responsible for the business development of acquisitions, letting and sales.

In this role, Benjamin will develop ATENOR priorities and contribute to the diversification of its portfolio in Luxembourg while giving a real input to the commercializing of ongoing projects as a direct support member of the Management.

During these last 2 years, ATENOR tripled its activity in Luxembourg in terms of areas to be developed through 4 different projects - TWIST and SQUARE 42 in Belval, PERSPECTIV' in Esch-sur-Alzette and BUZZCITY in Leudelange - on different phases : under construction, under study and about to be delivered. More than 120,000 m² split in hotspots of the country covering all functions combined to leisure spaces in harmony with the market demand.

Benjamin's appointment is timely in the current real estate industry business environment : an expert with a global track record and a connector of people who is highly effective as an agent of acceleration. Benjamin will enhance ATENOR targeted approach towards its clients, stakeholders and vendors through increased diversity of thought, dynamic innovation, and a more targeted approach.

Prior to ATENOR, Benjamin was General Director of BNP Paribas Real Estate Luxembourg. ATENOR is excited to have Benjamin join the company, and is confident that his skills and qualities will reinforce ATENOR multinational and multicultural team.

ATENOR is an urban real estate development company with European expertise listed on the Euronext Brussels market. Through our urban planning and architectural approach, we aim to provide appropriate responses to the new requirements being imposed by developments in urban and professional life. Within this framework, ATENOR invests in large scale property projects meeting strict criteria in terms of location, economic efficiency and respect for the environment.
